## DISCOVER THE joy OF LEARNING

### *From The Principal's Desk...*

Dear Readers,

The highlight of the month of August has been celebration of our Independence Day, sending another reminder to value this freedom and use it judiciously. The Inter School Squash Tournament was another milestone covered. We became one of the first schools to hold a squash event of this magnitude. The Investiture Ceremony has set the ball rolling for the new school council. Having been inducted in and invested with their badges the student officials are rearing to go. We wish them the very best.

Best Wishes,  
Brinda Ghosh

#### **Comfortable Confinements**

***“The beauty of independence, departure, actions that rely on themselves” - Walt Whitman***

As unique individuals, we develop hobbies and qualities all of which are not necessarily conventional. Several aspects about us are impressive and appreciated, but there are also parts of us that are not exactly celebrated. If anything, these unconventional parts of ours are looked down upon, made fun of, and attempted to be “fixed”. Eventually, we develop insecurities about some of our qualities because of certain taunts, jokes or unsolicited bits of advice. We become insecure about things that we might not even have any control over. A person may laugh too loudly or have too small a nose and they will never hear the end of it. We build ourselves a cage of insecurities and confidence issues and call it our comfort zone, and all that this prison accomplishes is further exaggerate our errors and divert our attention from our strengths and achievements.

Any small, passable remark can leave an impression on us and we forget that the way we choose to deal with that piece of information depends entirely upon us. Our faults and insecurities are always amplified when we look at ourselves in the mirror. Though external as well as internal criticism are inevitable, after a point, it becomes essential that we liberate ourselves from this self-made confinement of insecurities. It is not easy to rid ourselves of doubts and insecurities and the slope of progress will never constantly move upwards, but everyone starts somewhere. The difficult journey of freeing yourself from dependency on external validation for self-respect is what will be most gratifying in the end. Surely not all criticisms are groundless and we should be accepting of our flaws while actively resolving them, but it is equally important that we appreciate ourselves as unique individuals because there are certainly other people who already love and respect us for who we are, warts and all. The only things we can control are our thoughts and actions. So let yourself be free from unreasonable expectations, and unfounded insecurities and openly appreciate all aspects of your personality because a puzzle is most beautiful when it is complete with all its pieces.

## 'BUGS IN THE GARDEN'

Monsoon is here and as we all enjoy the rain and welcome the pleasant weather, it is also the time when creepy-crawlies, insects, snakes etc. come out. As the theme for the month of August was Rainy Season and Creepy-Crawlies, a 'Nature Walk - Bug Hunt Activity' was organized for the Shreeyans of Pre-Primary wherein they spotted all kinds of creepy-crawlies out in the field and the garden of the school. The Shreeyans of Pre-Nursery made a lovely Ladybug Craft using circle cut-outs. The Shreeyans of Nursery and Kindergarten were narrated the story 'The Very Hungry Caterpillar' and later they enjoyed art & craft activities connected to the story. The Shreeyans of Kindergarten also made 'Bugs in a Jar' craft by finger-printing. To further add to the learning of the concepts, the Shreeyans of Grade Nursery C and KG C had an Assembly on Rainy Season and Grade Nursery E and KG E had an Assembly on Creepy-Crawlies.

## PLANTS

Nature has always been man's best friend. In order to bring Shreeyans of Pre-Primary closer to nature as well as to see and appreciate the beauty of the plant world, a 'Nature Walk' was conducted in the school grounds and garden area. The children observed a variety of plants and flowers in the school campus. Shreeyans of KG and Nur planted seeds and observed them daily; they were fascinated to see them germinate into tiny saplings. Their fine motor skills were enhanced by making crafts using different techniques like tearing and pasting (PN), earbud and leaf printing (KG). Shreeyans of Nursery enjoyed reciting rhymes about plants. The children connected with nature and were sensitized towards preserving it.

## INDEPENDENCE DAY

### *सारे जहाँ से अच्छा हिन्दोसिताँ हमारा...*

At Gyanshree, we believe in the importance of inculcating in our children, a sense of pride for our nation. The Pre-Primary wing celebrated Independence Day with great enthusiasm and patriotic fervour. Shreeyans and Shreegurus came dressed in colours of our National Flag. The day started with a patriotic song. The Shreeyans made the national flag using sponge dabbling technique (Pre-Nursery), ear-bud dabbling (Nursery) and three origami tulip flowers (KG). The Shreeyans also made tri-colour sandwiches as part of the 'Little Chef' Activity for the month. A Special Assembly on Independence Day was also conducted by Shreeyans of Nursery D and KG D. The assembly ended with the National Anthem.

## THE BOND OF LOVE

Rakshabandhan is a festival that typically represents a sister's promise to pray for her brother and the brother's vow to protect and take care of his sister. Sisters tie a Rakhi thread that represents the strong bond of their love. The brother and sister often exchange gifts as well as sweets. To celebrate this occasion the Shreeyans of Pre-Primary made wonderful Rakhi crafts which they carried back home. The Shreeyans not only enhanced their fine motor skills while making the craft, but also learnt about various shapes, colours and pre-number concepts. A Special Assembly was conducted by the little Shreeyans of Pre-Nursery and KG F. The festival of love and care was celebrated well.

## LITERARY WEEK

Shreeyans of **Grade I** were engaged in activities like finding sight words in the newspaper, sound hunt activity, sequencing the story using art and making new words with their names. These activities can indeed help enhance children's literary skills. Dressing up as their favourite character was fun and a creative way for them to explore the world of literature. It was wonderful to see Shreeyans promoting their love for reading and writing in such creative ways!

The plethora of activities for Shreeyans of **Grade II** included:

Day 1 & 2: What's My Mood Today? - The colourful flipbooks were provided to the Shreeyans; they drew various expressions on each page and spoke about 'How I feel Today' and why.

Day 3 & 4: Idiom-o-logy – The Shreeyans were introduced to the beautiful world of idioms. After having a detailed discussion about idioms, the Shreeyans created their own flashcards and played Idiom Dumb Charades in their respective classes.

Day 5: Reading Session - There was a reading session conducted in all the classes of Grade 2. The Shreeyans discussed various aspects of the story with their classmates and drew a character sketch of their favourite character from the story in the form of a bubble map.

D.E.A.R - Drop Everything and Read - It was an integral part of the whole week. There was a signal sound/ bell made by the Grade Mentor, after which, the Shreeyans were supposed to start reading a story.

## ASSEMBLY ON 'ATTITUDE OF GRATITUDE' - GRADE II D

Waking up everyday and seeing the rising sun is no less than a blessing. With a view to inculcate the importance of gratitude in our lives, the Shreeyans of Grade II D presented a simple, yet an assembly with a strong message about 'The Attitude of Gratitude'. The thoughts of the day, song and a small skit revolved around the theme. The presentation was appreciated by one and all in the Lower Primary Wing, along with the Principal.

## RAKSHA BANDHAN

A cherished relationship that transcends time, distance, and differences - the bond between a brother and a sister, as we commemorate the festival of Raksha Bandhan. This festival is a special occasion where the love, respect, and the promise of protection between siblings are celebrated by tying the sacred thread, known as the Rakhi. -To celebrate the bond, the Shreeyans of Grade I made beautiful Rakhis on Raksha Bandhan.

### RAKSHA BANDHAN ASSEMBLY

The Shreeyans of Grade IB showed their confident streak while conducting the Rakshabandhan Assembly. After invoking the blessings of the almighty, they presented a group song, the news, the thought of the day and suvichaar. The Shreeyans were dressed in traditional clothes and explained how the bond between brothers and sisters is sacred to most Indians.

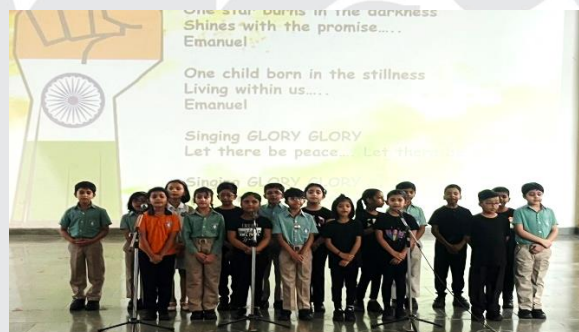

### INDEPENDENCE DAY

Day-15th August 1947, our Independence Day marks the end of British rule and becoming a free and independent country. This day is a reminder to us of the sacrifices made by our freedom fighters in order to set India free. Shreeyan's of Lower Primary came dressed in tricolour clothes and started their day with a patriotic rhyme. They learnt the importance of having independence. Grade I Shreeyans made a **tricolour sandwich** and a free hand drawing of our national symbols and famous personalities. The Shreeyans were zealous to participate in these activities and had a lot of fun through learning.

### INDEPENDENCE DAY ASSEMBLY

The special assembly on the occasion of 76th Independence Day was conducted by Grade 2E and 2F. The Shreeyans showcased their patriotic streak through songs, dance and speeches. The highlight of the show was a small theatrical performance, which made the Shreeyans of Lower Primary wing aware about the meanings of the three colours in our National Flag. The event was graced by the presence of Principal, Vice Principal and the HM - Lower Primary.

## COMMUNITY HELPERS

Community helpers play a vital role in society by providing essential services that contribute to the well-being and functioning of the community. They ensure safety, health and overall quality of life of the residents. Few community helpers (gardener, carpenter, guard, plumber, electrician, chef and doctor) had gathered, each with their respective tools, and the Shreeyans of Lower primary Wing observed them, gaining a clear understanding of how these tools are used.

## GOOD MANNERS ASSEMBLY

An assembly on Good Manners was conducted by grade I A to emphasise the importance of respectful behaviour. It promoted courtesy, empathy and consideration towards others. Through examples students learnt how kindness, politeness and proper communication contribute in creating a harmonious environment.

## LIFE SKILL

Life skills are the skills that help you lead a comfortable and efficient life. Grade I did activities like tying the knot and folding the t-shirts while Grade II made the Shreeyans learn their home address and understand the importance of packing their bags independently.

## LITTLE CHEF ACTIVITY - GRADE II

Little Chef Activity was organized in Grade 2 wherein the Shreeyans made delicious 'Papdi Chat', following the instructions given by their Grade Mentors. They were thrilled to share their delicacies with all the teachers and friends.

## INVESTING WITH POWER

### INVESTITURE CEREMONY OF THE PRIMARY WING, GYANSHREE!

***"Strength doesn't come from physical capacity, it comes from an indomitable will."***

***Mahatma Gandhi***

The spirit behind the words of none other than the father of our nation reigned supreme as the guiding thought during the Investiture Ceremony, Gyanshree School Primary Wing, on 21.08.2023. The morning started with the lighting of the lamp, a call to all that is divine, pure and auspicious. This was followed by a moving presentation of the prayer song - 'Anyatha Sharanam Nasti' - invoking our creator's gracious presence. The Headmistress - Mrs Sharika Sharma then welcomed the Principal - Mrs Brinda Ghosh, the Vice Principal- Mrs Sunita Mehta, the Headmistresses and the Headmaster of the academic wings to give away the sashes, badges and certificates of honour to the deserving recipients. The Principal's address aimed to instil an understanding of the duties that accompany all leadership roles, inspired the young minds and the ceremony concluded with the notes of our National Anthem reverberating through the amphitheatre.

## CELEBRATING INDIA'S 76TH INDEPENDENCE DAY!

On 10 August, 2023 Shreeyans of Grade III put up a wonderful assembly to mark India's 76th Independence Day. The morning that started with an inspirational quote from the People's President was witness to a wonderful musical presentation where they voiced their joy for the winds of change that is blowing over the nation. This was followed by a skit that paid homage to the struggles of our freedom fighters and put forward a very important question - 'Are we really independent?' Shreeyans of the Upper Primary Wing then ruled the stage with a powerful dance performance titled - 'Main Nayi Bharat Ka Chehara Hoon.' The Principal then accoladed the winners of various sporting championships and motivated the young hearts to always honour the spirit of that historical day of Indian history and the lessons that it carries for our nation.

### **AN ASSEMBLY TO HONOUR THE WORLD YOUTH SKILLS DAY!!**

On the occasion of World Youth Skills Day, Shreeyans of Grade IV C and IV D put up a unique assembly, to Honour the World Youth Skills Day. They started the morning on a pious note with the singing of a melodious hymn - 'Teri Hain Zameen' and the recitation of a Shloka from the Bhagwad Gita. Celebrating the thought that our skills are the weapons with which we face the challenges of this world, the class went on to present news from all corners of the nation and the globe, and an inspiring poetry about the aims and goals of the youth. They also put up a skit about the various skills imbibed at school under the guidance of a guru, from dance to sewing, self-defence to the planting of trees and even showcased their newly learnt culinary skills and designing prowess, both in the field of fashion and technology. The assembly concluded on a buoyant note with the Principal's address and the giving away of certificates and medals to those who had proved their merit in different fields and streams.

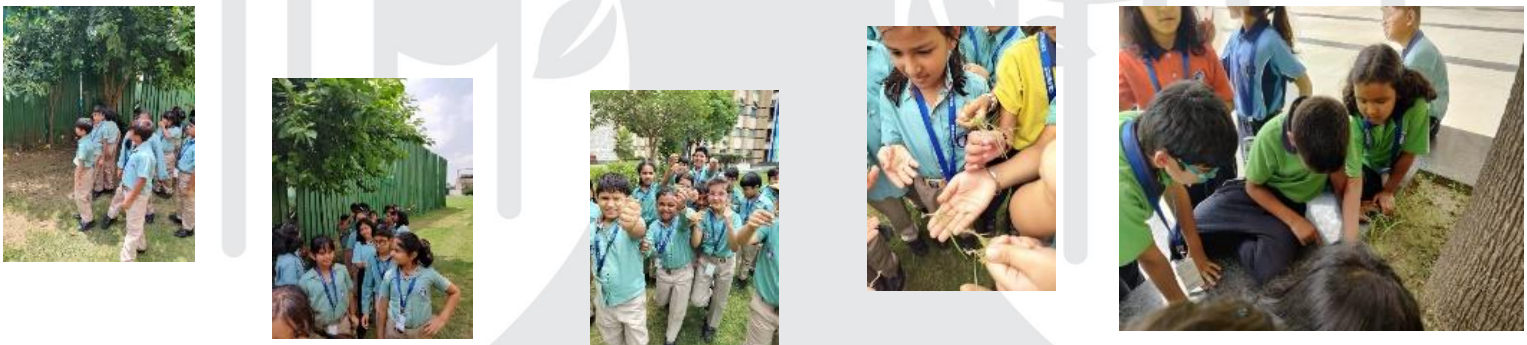

### **EXPLORING THE BY LANES OF INTERNET SAFETY!**

One cannot choose to live in society and the technological bubble or be unaware of the pitfalls of being present online... Shreeyans of Grade III explored the by lanes of 'Internet Safety' with research and a discussion of the key points.

### **THE CLASSROOMS OUTSIDE OUR WALLS!!**

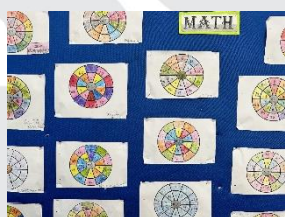

Not all classrooms have four walls! Shreeyans of Grade III went for a nature walk in the school premises and learnt to identify the different types of plants like herbs, shrubs, trees and climbers. They also observed a lot of weeds growing all over the garden and acquired in-depth knowledge about the importance of deweeding. Additionally, they also shared their observations about the different insects and their habitats that they sighted during their excursion.

### **THE WORLD OF TRIBAL EMPOWERMENT!**

Shreeyans of Grade V and VI put up an exhibition where they researched and presented facts about the life and culture of Indian tribal groups from the North East. Dressed up in tribal attires, they crafted and displayed tribal jewellerys, crowns, crockery, models and posters – a homage to the spirit of tribal empowerment that thrives in the Seven Sister States of India. Their enthused participation coupled with the deep research carried out by them ensured that the exhibition was a grand success!

### **MULTIPLICATION WHEELS AT WORK!**

Shreeyans of Grade III wrote the multiplication tables from 6 to 9 in colourful cart wheels. Stressing on the importance of memory and recall power, the session proved to be a challenge that the young scholars took up readily and happily.

### **WHO AM I?!**

Shreeyans of Grade V sharpened their acting skills while presenting a monologue act based on their reading of famous characters, from books of different genres. Voicing the words of their selected persona, they ruled their audience with their every move and gesture!

### **GOING VOCAL FOR LOCAL!**

Shreeyans of Grade IV raised their voices in support of locally made products even as they designed and presented advertisement campaigns for commodities - both existing and imaginary! And in doing so they matched their thoughts and steps with a world that is increasingly favouring the economics of local production and consumption...

## PATRIOTIC SONG COMPETITION AT GYANSHREE SCHOOL

The week preceding Independence Day was imbued with the feelings of patriotism among Shreeyans. The celebration for this national event commenced with the Inter-House Patriotic song competition. Students of Grade VI-XII from each house presented melodious performances, singing various patriotic songs dedicated to our country, India. The competition was judged by our Principal, Mrs. Brinda Ghosh, Mr. Jatin and Ms. Sargam. These songs deeply enthralled the audience, filling them with a sense of national unity. With splendid performances being presented by each house, the panel of judges certainly did have a hard time deciding the winner. Jal House was declared the winner of the competition. Akash House and Vayu House bagged the 2nd and 3rd positions respectively.

## INTER-HOUSE HINDI DEBATE COMPETITION

Hindi is an inseparable part of our identity. Apart from the fact that it is a beautiful language, it is also the second most spoken language in the world. To honour and celebrate the richness of this language, an Inter-House Hindi Debate Competition was organized. The topic for the debate was ' भारतीय शिक्षा पद्धति पाश्चात्य शिक्षा पद्धति से बेहतर है । ' The judges, Mr. Akashdeep Sharma, Ms. Meenakshi Badal and Ms. Saloni applauded the efforts of the participants and also shared their feedback and observations. Agni House was declared the winner and Sanskriti Malik and Amay Arora were declared the best speakers in the Senior and the Junior category respectively. Our respected principal, Mrs. Brinda Ghosh, congratulated the winners and appreciated the participants for their efforts.

## INVESTITURE CEREMONY

***"A leader is one who, out of the clutter, brings simplicity, out of discord, harmony, and out of difficulty, opportunity." – Albert Einstein***

Gyanshree School, held its Investiture Ceremony for the academic session 2023-24 on the 18th of August, 2023. The Chief Guest for the event was Mr Pradeep Srivastava, esteemed Member of the Executive Committee. The presence of our valued Shreeparents truly enhanced the essence of the event. The programme commenced with the auspicious lighting of the lamp.

The elected appointees were invested with their respective designations followed by the swearing-in ceremony, as the proud parents and teachers cheered on. Rudra Dedha was appointed as the Head Boy and Navyaa Jain was appointed the Head Girl of the school. Harshil Rekhi and Anvesha Rana were appointed Vice Head Boy and Vice Head Girl, respectively. The Chief Guest Mr Pradeep Srivastava urged the newly appointed members to make the school, community, and nation proud through their actions and conduct. In her congratulatory message, the Principal Mrs. Brinda Ghosh urged the student leaders to embrace challenges with determination, understanding that leadership is a symbiotic exchange of courage.

## VALUE OF THE MONTH

### **Courage**

Courage extends its powerful hand to mould us into resilient individuals. In the face of challenges, it is courage that propels us forward, turning obstacles into steppingstones. Whether in academics, sports, or personal pursuits, embracing courage fuels growth and innovation. This virtue empowers students to venture beyond their comfort zones, unearthing hidden potentials and building self-confidence. It is through courage that we learn to voice our opinions, fostering a diverse and inclusive environment where every voice matters. As we celebrate courage this month, let's draw inspiration from history's heroes who demonstrated unwavering bravery, reminding us that even in the toughest times, courage is our North Star. By nurturing courage within ourselves, we prepare for a future filled with limitless possibilities, resilience, and the determination to overcome any hurdles that come our way

## WHAT MIGHT NOT HAVE BEEN...

When two nations are at war, the fight is not only among the nations or the soldiers but also between innocent lives—the fight between life and death. Let's imagine a world with no fights. A world full of people moving around freely with no fear. Many might say it isn't possible, but being the optimistic person I am, I say it 'IS POSSIBLE'. Not immediately, but gradually it is.

Speaking of wars, here is a poem which captures the emotions of a soldier who lost his mom in the war, but didn't he do the same to so many other people? What is right and what is wrong will he ever figure out? Or will he ever understand? Is this karma?

Something to ponder on...

It was the last time I saw her.

The last time I saw her big blue eyes shine like stars in the night sky.

The last time I saw her silky hair brush against the wind.

The last time I heard her high-pitched voice.

I remember she was as busy as a bee,

Yet as calm as one can be.

Her heart was like an empty stage

And her love, if I may?

Her love was like a tornado in a jar.

Among all the untold stories of the war,

*It was hers which hurt me the most, perhaps.*

*Because she was my mother.*

*Sometimes I wonder why did it have to be HER?*

*With her gone, I feel like a river flowing into the unknown.*

*With her gone, I feel like a falling star.*

*Now I am stuck in a cruel world full of strangers.*

*Now I am stuck in a prison with no escape.*

*If only I were wise and not otherwise.*

*If only I realised the right and the wrong.*

*If only I had fought with words and not guns.*

*If only I had listened from within.*

*This, might not have been...*

## BOOK RECOMMENDATION THE DIARY OF ANNE FRANK

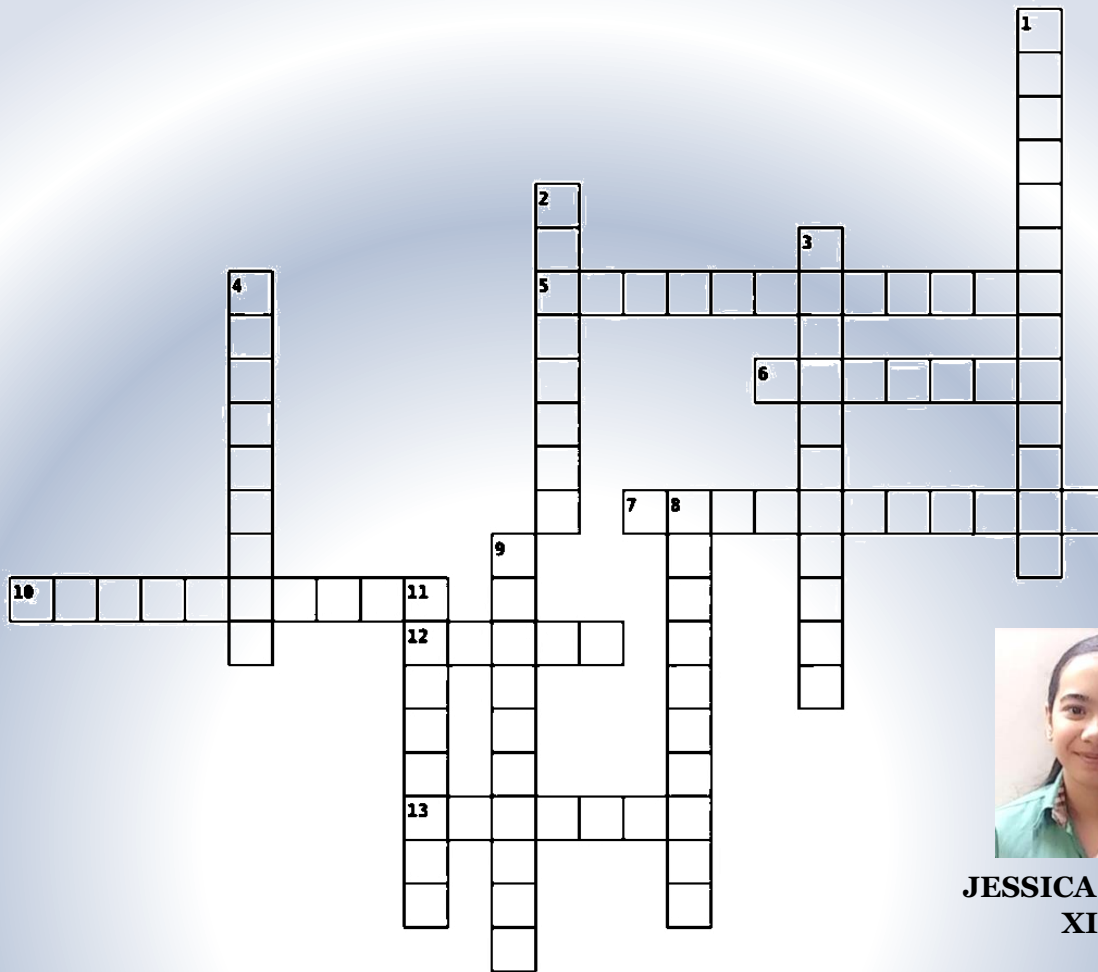

I lately came across a mournful yet interesting book, 'The Diary of Anne Frank'. The book talks about Anne's life as a teenager but gradually takes a dramatic shift showcasing the state of Jews in Germany during the Nazi rule. Although the book doesn't talk about the instances in depth but describes more of what Anne and her family experienced. Due to the constant twists and turns the book becomes quite unpredictable. The end of every chapter would leave reader wondering about what awaits them. It would be quite hard to categorise the book in a certain genre but it is more like an autobiography. Did Anne make it out alright or not? That's for you to find out.

### **LESSONS OF HISTORY**

Why history? What's the point? The job market today is dominated with concepts like *applicable skills* and *hireability*? These terms make the pursuit of history and historical truth - trivial.

As a history teacher, it's a question I know many students I teach, have. In all candor, it's a question I myself entertained when I studied history as a student.

When I worked up the courage to ask my history teacher this question a few years back, she gave me a clichéd response – *Those who don't know history are doomed to repeat it*. I admit I didn't fully understand her explanation then, but I feel I do understand it now.

In the last few months, we've seen artificial intelligence disrupt the tech sector – automating repetitive tasks and making many jobs obsolete. Tech magnates have casually floated the notion of sentient AIs that will have capabilities to overwhelm the most sophisticated man-made security infrastructure.

In this time of limitless technological transformation, what role does history have to play?

More than eighty years ago, a group of scientists were on the verge of a similar technological and scientific breakthrough. They had willed into existence a weapon that would be capable of turning entire cities into dust within seconds. The weapon they built was the atomic bomb, and the man heading that team was J Robert Oppenhiemer.

Oppenhiemer was a genius, but he naively believed he could dictate the use of his creation. With AI in the fold, the tech sector now faces its *Oppenhiemer* moment. Students scribbling in notebooks today will shape the future of technology. The tale of Dr Oppenhiemer, while inspiring in its ingenuity, also has lessons for innovators of tomorrow. Naivety can be costly in the pursuit of growth.

## CELEBRATION OF INDIA'S 76<sup>th</sup> INDEPENDENCE DAY AT GYANSHREE

***“Ask not what your country can do for you – ask what you can do for your country.”***

**John F. Kennedy**

Gyanshree School organized a special assembly to mark the 76th Independence Day of India, on the 15<sup>th</sup> of August 2023.

The event commenced with the hoisting of the national flag by our esteemed Principal, Mrs Brinda Ghosh. The sight of the majestic tricolor flying high filled everyone's heart with pride.

Shreeyans of Jal House presented a soul-stirring rendition of 'Satrangi Rango Sa'. Their melodious voices resonated through the air, evoking a sense of unity and love for the country. Next, a mesmerizing dance performance was presented by the junior school students.

The senior school students presented a thought-provoking street play, 'Azaad'. The street play aimed to inspire young Indians to take action and work towards a better and more inclusive India.

The Principal, Mrs. Brinda Ghosh, addressed the gathering and spoke about the significance of Independence Day. She appreciated the students' performances and reminded the students about the responsibility of each citizen towards the progress and development of our nation.
